20 YEAR OLD TAWNY

COCKBURN'S

Cockburn's was founded in 1815 by Robert Cockburn, of Scottish origins. In 2010 Cockburn's celebrated its 195th birthday by joining Symington Family Estates, reverting to family ownership after an interlude of 48 years. In the upper Douro Valley, Quinta do Canais is Cockburn's premier vineyard, whose wines form the backbone of its famed Vintage Ports. Known for its innovative vineyard practices Cockburn's was instrumental in promoting and conserving the indigenous Touriga Nacional grape varietal.

THE WINE

Twenty Year Old tawnies are made from wines of the very highest quality, blended and subsequently aged in oak cask for an average of twenty years, until they strike the correct balance between the delicacy and elegance that come from prolonged cask-ageing, and the rich fruit character that lends these old tawnies their structure, freshness and longevity.

Cockburn's 20 Year Old Tawny is pale, complex and delicate with hints of cedar and crystallised fruits. Perfect served lightly chilled to enjoy with good friends.

TASTING NOTE

Cockburn's 20 Year Old Tawny has a lovely bright amber tawny color. On the nose with an amazingly delicate and complex bouquet of fruitcake, honey and nuts combined with notes of orange peel. On the palate smooth and polished, wonderfully balanced, with rich and warm nutty flavors leading to a long and lingering finish.
