DOW'S PORT

FINE WHITE

DOW'S

Dow's is owned and managed by the fourth generation of the Symington family, Port producers since the 19th Century. The family, whose experience dates back over 100 years, supervises all the vineyards, winemaking and ageing of this wine.

Dow's owns two of the Douro's finest Quintas, Senhora da Ribeira and Bomfim. They were acquired in 1890 and 1896, making Dow's one of the first houses to invest in premium vineyards.

THE WINE

Handpicked traditional Portuguese grape varieties are harvested in the fall and fermented for a short period of time before the addition of 100% neutral grape spirits alcohol. This step stops fermentation and reserves the wine's natural grape sugars. It is then aged in oak casks for an average of three years before being bottled, ready to drink.

STORAGE & SERVING

Serve chilled to enhance the crisp fruit flavors. Equally delicious served as an aperitif or with light desserts.

TASTING NOTE

Dow's Fine White ages mainly in wood, gaining a rich golden color and an intense rich nutty aromatic complexity. A certain amount of wine is not woodaged and is blended in to add freshness and fruit character. On the palate, balanced and smooth, with excellent acidity and a long finish.
