# SIX GRAPES

## THE WINE

The Six Grapes symbol originated in the nineteenth century. Following each harvest, Graham's winemakers would mark each barrel of port using grape symbols to rate the quality of the wine from one to six. The image of six grapes on a barrel meant the wine inside had Vintage Port potential. It indicated complexity, structure, and balance. By the early 1900's, Graham's started bottling wine selected from these barrels under the Six Grapes label. Over a century later, Six Grapes continues to be Graham's signature reserve port.

## WINEMAKING

Six Grapes typically sees a rather shorter period in wooden barrels than other Reserve Ruby Ports, with our blending team seeking to preserve its youthful, blackberry fruit character and the fresh aromas of cassis and liquorice. After being loaded out of the Malvedos winery in the Spring following the harvest, the wines travel to Graham's cask lodge in Vila Nova de Gaia where they will typically spend between one or two years in seasoned wooden barrels or vats before being incorporated into the Six Grapes lot ready for bottling. Our blending team is careful to try to match as closely as possible the new blend to the previous one so that the consumer can be certain that their favourite bottle of Six Grapes always maintains its outstanding level of quality. Once in bottle, the wine is ready to drink and does not require further ageing.

Charles Symington

## PROVENANCE & GRAPE VARIETIES

In terms of varietals, Six Grapes is made primarily of the four uncontested 'stars' of the Port region, the violet and aromatic Touriga Franca, the rich, tannic and well structured Touriga Nacional, the raspberry tinged Tinta Roriz and the sweet chocolatey Tinta Barroca. In addition there are components of Tinta Amarela, Tinta Cão, Souzão and Tinta Francisca as well as grapes from some older mixed plantings.

At all five Graham's Quintas, each varietal is picked according to its ideal ripeness, and the fermentations of each varietal and vineyard block kept separate, for blending together only much later once the wines have been properly assessed for their individual characteristics.

## STORAGE & SERVING

Six Grapes can be left open for several weeks and is best served slightly cool, between 53 and 60F. Graham's Six Grapes is delicious served at the end of a meal, for example with rich, nutty or chocolate desserts, as well as strong cheeses.

## TASTING NOTE

Dark red color, with seductive rich perfume of ripe plums and cherries. On the palate, complex, with a good structure and a long lingering finish.

Alcohol: 20% vol

Total acidity: 4.5 g/l tartaric acid

UPC: 750ml 094799010043  
375ml 094799010050
