CHRYSEIA 2020 DOURO DOC

Prats & Symington is a joint project between Symington Family Estates and Bruno Prats, owner of famed Chateau Cos d'Estournel, which began in 1999. Since then, Chryseia has been a testament to the incredible combination of winemaking expertise from the Douro Valley and Bordeaux, two of the world's most acclaimed wine regions and two world renowned wine makers: A winning formula for beautiful wines.

THE WINE

Chryseia 2020 was produced from a rigorous selection of grapes from Quinta de Roriz and Quinta da Perdiz, both owned by Prats & Symington. As in all previous editions of Chryseia, there was also the usual contribution from the Roriz neighbouring estate, Quinta da Vila Velha, privately owned by Rupert Symington.

VINTAGE OVERVIEW

Winter and early spring rainfall was roughly in line with the average, but higher-than-average temperatures brought forward the vegetative cycle by three weeks. If overall rainfall levels were reassuring, the temperatures were far from it: every month apart from April was considerably warmer than the 30-year mean. With virtually no rain in June or July, we were relieved to have 12.6 mm falling on 20th August, although the rain was followed by three heat waves lasting until mid-September. Production was down by 40% in some properties, but the lower yields were compensated by overall good quality. The harvest began on September 3rd at the Roriz vineyards with Touriga Nacional and it ended on the 23rd with Touriga Franca.
